Career Summary

- More than 2 years of experience working as a Java Developer in IT industry.
- Good experience of solving coding problems on various websites like Codechef, GFG, HackerRank.
- A constant learner, an effective team player with leadership skills like planning & delivery, organizing ability, sense of responsibility, group influencing ability and reasoning ability.

Professional Experience

- **Adenza (Calypso Technology)** 📍 **Mumbai, India**
Associate Software Engineer *July 2021 – Present*
 - Working as a part of Interface Team. Developed some modules like PortfolioSwapPosition, DeferredPL, CommoditySwaption as a part of DataUploader and Calypso Integration Services.
 - Using Java language with some frameworks like JAXB, Dozer to develop these modules.
- **Wipro Technologies** 📍 **Bangalore, India**
Project Engineer *July 2018 – July 2019*
 - Worked as a part of Data Management Team. Worked on modules which were used to validate daily transactions data from source to server.
- **Let's Transport** 📍 **Bangalore, India**
Android Developer (Intern) *June 2017 – August 2017*
 - Worked as a part of Core Development Team. Worked on Driver's Android App to develop driver's profile, document verification, truck's movement tracking.

Technical Skills

- **Languages/Frameworks** : C - Language, Core Java, JAXB, Dozer, Android Development.
- **Software/Tools** : Eclipse IDE, Git, Jenkins, Jira, Sonarqube, Oracle, Gradle, Android Studio.

Projects

- Handwriting Recognition Android App** : Final year project to recognize image and convert image to text.
- Scorer Android App** : App deployed on playstore, used to save scores of different games on Google's Firebase.
- Future - G Android App** : Made this app for personal use to keep my daily to do plans at one place.
- Snake & Ladder Java App** : Developed this game using Java where max 4 players can play together.
- Java IDE Application** : Developed java software to compile and run basic java programs.
- Notepad** : Developed java software to work exactly like Windows Notepad.
- Others** : Kids Basic Learning Android App, Tic-Tac-Toe, Calculator etc.

Trainings & Certifications

- **IIT Bombay**: Intro. to Computer Programming 1 & 2
- **Microsoft**: Introduction to Computer Programming
- **DUCAT Education**: Core Java with Competitive Coding
- **University of Adelaide**: Think. Create. Code
- **IIT ISM Dhanbad**: Software Dev. Workshop
- **Udemy & Udacity**: Android Developer Course
- **Purdue University**: Communicating Strategically

Achievements & Awards

- **Qualified GATE-2018**
- **In Top 10 of Rajasthan Hackathon**
- **2 Gold Medals** in S/W dev (Techno-Soft Event)
- **All India Percentile: 94%** in NPAT by NPTEL
- **AMCAT (97.7%)**
- **Gold Medal** in Job Fair (Mr. Corporate)
- **Rank 1st or 2nd** in all Semesters of B.Tech.
- **Rank 1st** in various college coding events
- **Rank 1st** in Coding-Decoding
- **Rank 2nd in Quiz on Coding**

Educational Qualifications

Qualification	University/Board	School/College	Percentage/CGPA	Year of Passing
Bachelor of Technology (B.Tech.)	Dr. A.P.J Abdul Kalam Technical University	Galgotia's College of Engg. & Tech.	84%	2018
Intermediate	C.B.S.E.	De'Saint Public School	79%	2014
High School	C.B.S.E.	K. V. Mussoorie	9.6 CGPA	2012

Co-curricular Activities

- **Organized GCET Hackathon at college.**
- Core Team Member of Loop Coding Club.
- Member of Managing Team in **Convocation 2017.**
- Volunteer in IEEE Conference & other workshops
- **Participated in various Hackathons like Rajasthan Hackathon, DTU Hackathon etc.**
- Class Representative for all sem. in college.
- Online Teaching on YouTube.

Hobbies : Teaching, Photography, Singing, Cooking, Watching Web Series, News etc.
